We could go 3 weight classes higher, just need to ensure we will have enough participants to fill these. Roster requirements: All rosters must include name, school, age, record, and recorded weights for the season. Girls must have been submitted on initial roster at the beginning of the season or updated with OYWA BEFORE Sectional tournament. Additionally, we are allowing teams to roster 2 girls per weight class, However, they must be listed as two separate teams: example 'Team A' and 'Team B'. We want to make it inclusive to all, please fill your rosters as best as you can.
